such request shall be discussed and/or acted upon in order to give the Price County ATV Trail Association (or its successor) time to give its comments and suggestions to the Price County Highway Committee. Any such request for a new ATV route or for a modification to an already existing ATV route must indicate which ATV organization will be responsible for purchasing signs for the route affected and the name of the contact person for said organization, although, if the request is granted, the Price County Highway Department will be responsible for the actual installation of such signs purchased by said ATV organization.
