- ◆ When using the DIS ID, you **MUST** keep a copy of this completed application and provide it for inspection upon request by any traffic officer. Make and keep a copy before submitting application to WI DOT.
- ◆ If you currently have 2 DIS ID cards, one must be returned with this application.
- ◆ The Department may cancel a VET license plate which was issued as a result of fraud or error.
- ◆ If you are a licensed driver, the Department will review your disability relating to your ability to exercise ordinary and reasonable control over a motor vehicle. If the authorized VA representative recommends a re-examination, you will be required to complete a knowledge, highway signs, and road test to determine appropriate license restrictions.
- ◆ To legally operate your vehicle, you must display license plates within 2 business days of purchase. If you do not have current plates, apply to a DMV Customer Service Center or an agent authorized by DMV to obtain a temporary plate while your Disabled Veteran plate order is processed. An agent may charge a \$3 plate fee and/or may also charge a \$5 service fee.

PERSONALIZING INFORMATION

- ◆ No refund or adjustment will be made for a change of choice or spacing after the plate has been ordered, or if the application is incorrectly or unclearly completed.

 - ◆ May park in spaces marked by official traffic signs reserving the space for vehicles displaying VET or DIS plates or DIS ID cards;
 - ◆ May obtain, upon request, motor fuel from a full-service pump at the same price as fuel from a self-service pump, if the driver is the person with the disability.
