

Town of Emery Driveway Access Permit – Culvert Ordinance 21977

The undersigned does hereby make application for a driveway access from a public road to the following property in the Town of Emery.

Applicant's Name _____ Adjacent town road _____

See tax form or plat book for the following information:

Quadrant _____ Section _____ Township _____ Range _____

THIS PERMIT IS SUBJECT TO THE FOLLOWING CONDITIONS

- 1) No work on the construction of a driveway access shall begin before a permit is issued by the Town Board.
- 2) The driveway access must be at least 20 feet wide with at least a 14 foot overhead clearance. The minimum diameter of the culvert shall be no less than 12 inches.
- 3) Obstructions such as rocks, lights, tree stumps in the Town right-of -way are to be removed.
- 4) The size of the culvert needed, if any, shall be determined by the Town Board upon inspection of the site. Determination: Culvert needed: ___ Yes ___ No; diameter needed _____; length needed _____. Inspection date _____.
- 5) The cost and installation of the culvert is solely the obligation of the applicant. The Town Board, by issuance of this permit, does in no way assume any responsibility for any costs resulting in the installation or cost of said culvert.
- 6) In the event that during or after completion of the installation of a culvert by the applicant, the ditches on either side of the culvert shall become filled or disturbed so as to restrict the flow of water, the ditches shall be restored to their original grade, that being the same that existed prior to the installation of said culvert and all costs resulting from the restoration of said ditches shall be borne by the applicant. Upon completion of the installation, the applicant shall notify the Town Board so that final inspection can be made. Inspection date _____.
- 7) If any culvert is installed, or any excavation or fill, or any alteration is made in violation of the provisions of this permit, the Town Board, empowered under Section 86.07 of the Wisconsin Statutes, may remove the said culvert or fill and restore the road to its original condition; and any person who violates this permit shall be punished by a fine of not less than \$5.00 nor more than \$100.00 or by imprisonment not exceeding 6 months, or both.
