2024 BUDGET RECONCILIATION

Executive Summary

The following is a reconciliation of the 2024 budget. This report begins with the 2023 budgeted levy and ends with the recommended 2024 budgeted levy. The positive numbers indicate an increase in the levy. The (negative) numbers represent a decrease in the levy. When calculating the 2024 maximum operational levy, the library services, bridge and culvert aid, and debt service levy are removed. They are added back into the levy when calculating the total 2024 levy. The library services, bridge and culvert aid, and debt service levy are not subject to the State's zero levy increase.

Equalized Values Report Shows Strong Increase

Wisconsin's Real Estate Market Grew by 13%

The Wisconsin Department of Revenue (DOR) released its annual Equalized Values Report. The report shows Wisconsin’s total statewide equalized property value as of January 1, 2023, was \$842 billion, a 13% increase over the prior year. This is the second consecutive year showing a double-digit statewide increase. Growth occurred in all property classes and was led by residential and manufacturing property. Equalized values are based on data from January 1, 2022, to December 31, 2022.

Report highlights:

- Change in equalized value = \$98 billion, a 13% increase from 2022
 - \$83.1 billion due to market value increases (11%)
 - \$13.1 billion due to new construction (2%)
- Menominee and Taylor Counties saw the largest increase at 25% and 24%, respectively
